

OUR STORY & WE'RE STICKIN' TO IT!

Since 1988, we have worked at crafting our baby back ribs, barbecue sauces and other recipes. In that time, we've won dozens of national and international rib cook-off competition awards. Several years ago we introduced our fare to the Hickory House in Aspen where we have achieved success beyond our dreams. Our competitors and friends from Michelob's Championship Ribs Restaurant of Naples Florida, have shared some of their secrets with us as we continue to sharpen our barbecue skills. In combination, the offerings on this menu have proven to be the "best in Colorado". We hope you agree. Thank you for your support.

Certified Angus Beef is the "REAL DEAL." Many restaurants use the "Angus" name but they are not Certified. Certified beef only applies to the top eight percent of all beef produced in the USA. All of the beef served at Hickory House is Certified and we are confident our customers will appreciate the difference.

*For safety, the USDA recommends beef be cooked Medium.

*Not responsible for beef ordered Medium-Well or Well-Done.
