### ABOUT OUR SMOKED MEATS

Our unique slow-smoking and cooking process tends to leave our meats - Ribs, Chicken, Pork and Beef pinkish or reddish in color even though they are completely and thoroughly cooked. When you see this coloring it is the flavor of our meats and why they taste so good.

## OUR STORY & we're sticking to it!

Since 1988, we have worked at crafting our Baby Back Ribs, BBQ Sauces and other recipes. Over the years, we've won dozens of National and International Rib Cook-Off competition awards. In 1998 we introduced our fare to Hickory House in Aspen, where we have achieved success beyond our dreams.

Our friends from Michelob's Championship Ribs & Steaks Restaurant of Naples Florida, have shared many of their secrets with us as we continue to sharpen our barbeque skills. Together, the offerings on this menu have proven to be the "Best in Colorado." We hope you agree and we thank you for your support!
